Mrs. C. A. Garrett, of Alamogordo, called by the state in rebuttal, testified that Miss Jennie Sensentaffer had told her that Mitchell Major had said to her (Miss Sensentaffer) that his father had poisoned Eudora and had tried to poison him.

Miss Sensentaffer had a short time before testified that she had not made such a statement to anyone, and that Mitchell Major had made no such a statement to her.

Mrs. Frank Maxwell, of Mamogordo.

always was most devoted to each other.

H. H. Major, the defendant, was recalled to the stand to tell of his second wife's liness and of the consultation about her condition.

Testimony in rebuttal, introduced by Prof. S. E. Mitchell, of State college, went to show that an analysis of the wall paper taken from the Major home contained no arsenic. The defence has contended that Miss Endora Major, for whose death the father has been on trial, was the result of such poison being absorbed by her.

No evidence during the trial has been introduced to connect Major directly with administering poison to his daughter, though the state has proved beyond a reasonable doubt that the daughter diel of arsenio poisoning to the state of the daughter diel of arsenio poisoning the stale has been the most sensa-

Tells of Dr. Ross's Prescription.
On cross examination, Mrs. Major said that this is the only time any diametous remute bad decurred from taking the prescription given her by Dr. Ross She said that Dr. Ross had not stated that there would be any difference in the prescriptions if taken at different times. Witness said that she saw Dr. Ross in Alamogorfe while he was here, but said nothing shout the prescriptions. She said that he came to testify about the prescriptions, but that she said nothing to him about it.
On being further questioned, the witness said that she did not recall having discussed them with him. She said it was her measure to itself in the prescriptions of the witness said that she did not recall having discussed them with him. She said it was her measure to itself him about them thecauses she had sent for him for that purpose, but and Lost Eight Teeths.

On being cross susstioned as to the condition of her mouth, Mrs. Major said that she had not lost the most of her teeth. She said the teeth she had not lost the most of her teeth. She said the was wearing two plates, but had one, before her sleen. She said that she inst eight teeth as a result of her sleen she had that she inst eight teeth as a result of her sleen hey Dr. Jarvis at the time he was attending her. The others were drawn the latter part of November, she said.

Witness said that she did not recall having discussed the particular glass of milk and eggs referred to in direct testimony. She probably talked about it with her atterneys also said. On being saided if she talked about it with her atterneys are said. On being saided if she talked about it with her atterneys where the she with Had Lost Eight Teeth.

She said she did not recall seeing her hus-and making any entries in the charts re-erred to in direct testimony or making an essure from it.

Tells of Meeting Major. Tells of Meeting Major.

Mrs. Major said that she first met her husband in October. On being asked if she did not meet him in Cloudcroff in July, she said that if she did, she did not recall it. and had no knowledge of it.

She said that the lot she had in Cloudcroff was soid to Mr. Slater some time in December. Sin said that she had never lot was in her name and that she had never lot was in her name and that she had never desded it to her husband.

She said she had a rurse about the middle of October before heinr removed to Mrs. Rousseave, had the nurse about 19 days before that time; Mrs. Sansom was the nurse.

Husband Kept the Chart. She said that her husband kept a chart of her condition while she was siek but (Continued on next page, column 4.)

ARREST FOLLOWS

That He Might Have Seen Lincoln Memorial Finished, Is His Dying Wish.

Lamogordo, N. M. Jan. 28.—
Arguments were started this morning in the trial of H. H. Jor, charged with the murder of daughter, Eudora, by polsoning. aking of testimeny in the case was soluded at the night session Tues, some of the closing restimony better most sensational given during trial.

On being questioned why she had not continue in the trial of H. H. Sanson.

On being questioned why she had not word has been received in Juarez from the coloring trial supposed to have been also with our information regarding the passenger train supposed to have been captured some time Monday by bandits.

Wednesday morning. Up to an early hour Wednesday afternoon no word has been received in Juarez from the color word in the sense of the passenger train supposed to have been captured some time Monday by bandits.

Washington, D. C., Jan. 28.—
Former senator Shelby M. Cullom, of Illinois, died here to day after an illness of more than a week during which he battled hard her that Mischell Major had said her with the misch testing of the restriction of the nationar memorial to Abraham Lincoln, who were a wish that the hald used some of the completion of the nationar memorial to Abraham Lincoln, who were a wish that the high that his mad had her that Mischell Major had said her that Mischell Major had had her with the misch was under the rule with death. His last words were a wish that the hald used some of the completion of the nationar memorial to Abraham Lincoln, who was here. with death. His last words were a reach the scene of the holdup early day afternoon, when a Mexican section roads. Heavy winds have broken the Chihuahua.

wish that he might have lived to see the completion of the nationar memorial to Abraham Lincoln, who was his personal friend.

Since his retirement from the senate last March, Mr. Cullom had been resident commissioner of the commission created by congress to build the \$2,000,000 memorial to Lincoln.

A little more than a week ago he was taken with gringe. His advanced age put his recovery beyond hope but his wonderful vitality postponed the end from one sinking spell to another. He was 55 years old and had a record of 50 years of continuous public service.

She said that she called upon Eudora on December 3th when she learned of har illness and called between 1:30 and 2 octock; was there a short time."

She was very ill." said the witness "She was very ill." said the witness "and I did not talk with her very much." She said that she called frequently to see how Eudora was setting along.

Witness said that she called on Friday night, December 13th to see how Eudora was. She saw Michell outside of the house and learned from him that Eudora's condition was very serious; that she was unconscious and that an cut of town physician had been called in. She said that she offered assistance and said she would be gird to come herself or that Mrs. Morgan would come and would be gird to do anything possible.

Not Permitted to See Eudora.

On cross-examination, Miss Sensentaffer said that she did not wait from the 5th to the 15th to call again, but that she called in. Hilinols.

Enis 59 Years of Public Service.

Ends 50 Years of Public Service. Ends 50 Years of Public Service.

Shelby Moore Cullom's death ended 50 years of continuous public service that had made him a figure in American national life and brought him into official relations with every president from Abraham Lincoln to Woodrow Wilson.

President Taft once said of him:

"Why, here's my old friend Uncle Shelby; he comes nearer commetting the present with the days of washington than any one size whom I know."

ington than any one also whom 1 had said that she slid not tell Mrs Girrist anything about Mitchell saying anything of the kind after her return from El Pase. She said also that she sid not tell Mrs. Garrett that she was not afraid to tell Mrs. Garrett that she was not afraid to tell Mrs. Ou redirect examination the winding appears to see Eudera when she wanied to.

Priend of Daughter Testifies.

Mrs. Frank Maxwell, of Alamogordo, was placed upon the stand by the defence. She said that her husband was the assessor of Otsro county and that they were marrised June 29, 1912, and were living in Alamo Sovic.

Mrs. Maxwell said that she lived next to the Major home before her marrisage; that she and Eudera were close friends and that she requently visited at the Major home were very devoted; that she lad oneyrthing possible for the other, and each tried to make the other forget the great trouble that had come to them by the death of the maker. She said Mr. Major tranted his children with the utmost kindness and affection; that she saw them atmost every day; that they would go drivulances and affection; that the naw them atmost every day; that they would go drivulances and affection; that the naw them atmost every day; that they would go drivulances and affection; that the naw them atmost every day; that they would go drivulances and affection; that the naw them atmost every day; that they would go drivulances and affection; that the naw them recently wrote to illustrate the epoch in which he began life. "The crown of Great Britain descended from king George the fourth to King William the fourth; that reign passed away and I have lived to see the long reign of king Edward come and go the reign of king Edward come and go and the accession of king George the fifth. Charles the fifth ruled in France, Francis the fifth ruled in France, Francis the fifth ruled in Prussla; Nicholas the first in Austria, Frederick William the third in Prussla; Nicholas the first in Russia, while Leo the twelfth governed the pagal states, the kingdom of Italy not yet having come into existence. The United Kingdom of Greaf Britain and Ireland had not yet a population of 24,006,000 all told. No man who had not served his ecuntry in some capacity in the Revolutionary war had been elevated to the Presidency of the United States and this was the case until 1843."

Times and events in his own country were no less thring and his part in them was a sharked one. Kentucky was a slave state at his birth, the controversy which was to hatch into a great civil war was in the process of incubation, in fact the Cullems moved to Hilnois to be in a free state and Chicago then was a small village. R. B. Bayer, the derivation, was recalled to the stand by the state for further crosses examination.

Referring to the consultation held by Dra. Gilbert and Waldschmidt, he mid that Dr. Waldschmidt advanced the idea of an abortion to save the life of his wife; he said that there was a second consultation.

Witness stated that he told them that he believed the child was dead on asked Dr. Gilbert to make an examination and find out whether the child was dead or not affer the examination he said that he admitted that the child was alive. From that the defendant explained in using the reason he believed the child was dead.

Witness mimitted as a lawyer that he did not know how absortion was construed; that Dr. Waldschmidt said that it was not a matter whether the child was dead or nilve; it was a minter of saving Mrs. Major's life. tate and Chicago then was a small

The elder Cullom was then a friend The elder Cullom was then a friend of Lincoln's recommending the struggiling backwoods lawyer to prospective clients.
